Summer Term Volume 12 Issue 2

June 28th 2006

Dear Parents, Guardians, Governors and Friends,

## SPORTS DAY 12TH JULY 10.00 A.M.

Sports Day this year will be held as previously notified on Wednesday 12th July or on 18th July should we need an alternative date due to bad weather.

Following comments and views made known to the school in the parents' questionnaire Sports day will be of a competitive nature with each class taking part in a sprint and two further races.

All parents are welcome to watch the events and join in a picnic at lunchtime. The PTA will be serving tea and coffee to adults on the day.

Please ensure all children have sun hats and are wearing suntan lotion and have extra drinks for the day.

School closes at 3.15 p.m. on Thursday 20th July and re-opens on Wednesday 6th September. We hope you all have a good summer break.

We wish all children in year 6 every success in their new schools.

## SCHOOL PROFILE

Following a change in the DFES regulations schools are no longer required to provide an Annual Governors Report or hold an Annual Governors Meeting with parents.

However, a document called The School Profile has been developed to provide with a summary of results and events in the school over the year.

Every School is required to complete the document and the profile for Guilsborough Primary is now available on the DFES website, or a paper copy can be obtained from the school.

We will complete an updated version for 2005 -06 in the Autumn Term.

## IMPROVEMENTS TO THE BUILDING

During the summer break a new ceiling is to be fitted to Reception's classroom using money made available by the DFES from Capital Grant.

Further work is to be done on replacing rotting window frames on the outside of the building.

## YEAR 6 CYCLING PROFICIENCY

Congratulations to the children in year 6 who all passed their cycling proficiency test last Friday. A big thank you to all the parents and instructors who turned up each day to help.

Year 5 are currently completing an 'off road' course with Mrs Gilbert further developing our road safety curriculum.
