Summer Term; issue 1 volume 12

May 17th 2006.

Dear Parents, Guardians, Governors and Friends,

Primary 4 had a fantastic visit to Boreatton Park—PGL Activities Centre near Shrewsbury last week.

Although the weather was very wet on the Monday it did not stop the children taking part in all kinds of adventurous activities including abseiling, zip wire, climbing, assault course and fencing. A big thank you to Mrs Moody, Mrs Williamson and Mrs Adams for accompanying the children on their visit.

This is what some of the children said:

“I was really worried about the abseiling, I got to the top of the tower, I had a go, but when I got to the bottom I wanted to have another go!” - Katie.

“I tried abseiling today, I did not want to do it at first but I did and was so pleased” - Emma

“The zip wire was really scary when you climbed the tower but when you went it was fun” - Tom.

SPECIAL THANKS

We would like to thank Mrs Ogden (parent) for giving up several mornings to sort out and re-organise the non-fiction books in the library. This has made the task of finding information from books by the children so much easier.

Also Mrs Hall who has been cooking with P3 on a regular basis throughout this term. We are grateful to all parents who give their time freely to help in school.

FRENCH CLUB

From September French Club will be held during the lunch hour (not after school) existing members have been notified and if any child is interested in starting from September please apply in writing to the school office so that we can send you further details, costs etc.

GUILSBOROUGH SHOP

The old surgery in Guilsborough has been converted into a store and coffee shop and will be officially opened by Sir John Lowther, former Lord Lieutenant of Northamptonshire at 12.00 p.m. on Friday 19th May.

We wish Seaton Stores every success in their venture and hope that teachers, parents and children will benefit from this new community facility.

SUN PROTECTION

Lets hope we have some more bright and sunny days similar to last week.

We would ask parents to ensure that children wear hats to protect them from sun exposure and a high factor sun-block which can be applied before coming to school.
