### RECEPTION MULTISKILLS

### YEAR 5/6 GIRLS FOOTBALL

The girls were incredible and worked brilliantly as a team. They took it in turns being goalkeeper and they ran up and down the pitch against good opposition. They had lots of fun and managed to get 2nd place! Super proud of the girls and one of our players got Player of the Tournament.

### YEAR 3/4 ATHLETICS

The team worked so well together making sure they were supporting a cheering each other on throughout the competition making sure they gave it their very best. They managed to place 2nd which is brilliant! They had lots of fun at the competition.

## YEAR 5/6 ATHLETICS

Unfortunately, the competition was cancelled due to the weather but that didn't stop us from creating our own mini Athletics competition.

## YOUNG LEADERS AWARD

Year 6 worked super hard to create and teach amazing PE lessons for the children in Reception/Y1 and Year2/3 and the lessons went really well with all of the Year 6s making sure they were involved in some part of the planning and session. The children had lots of fun being taught by Year 6!
